
Finding a Career

Ask learners to visit <https://www.mynextmove.org> to complete this activity. Answer the following questions before visiting the website:

- A. I want to be a _____.
- B. I'm interested in the field of _____.
- C. My professional interests are _____.

Now visit <https://www.mynextmove.org> and enter your information. Browse some of the options listed and make notes on the following:

What career did you explore? _____

What technology does this career use? _____

What education is required? _____

What is the job outlook and salary? _____

Optional: Browse a related career or another career in a different field that interests you. Answer the questions again:

What career did you explore? _____

What technology does this career use? _____

What education is required? _____

What is the job outlook and salary? _____

Discuss with a partner: Which career would you choose and why?
