
Finding a College or University

Ask learners to visit <https://collegescorecard.ed.gov> for the following activity. Before visiting the website, answer the following questions:

A. What career would you like to have? _____

B. What education do you need for this career—certificate, associate's, or bachelor's?

C. What state and city would you like to study in? _____

D. Would you prefer to study at a small, medium, or large size school?

Visit <https://collegescorecard.ed.gov> and enter the information you have noted above. List your results below:

A. _____

B. _____

C. _____

D. _____

Write a short paragraph comparing at least two of the options. At the end, say which option you would choose and why it is the better one for you.
